Charles P. Clark, Esq., Director of Publicity,
American Committee for Devastated France,
16 East 39th Street, New York City.

Dear Sir:-

your letter addressed to the American Women's Numismatic Society was delivered to us. I fear you have confused our Society or the name of the Society to which you intended your note to go with our own. We do not issue such a directory as you desire. A small hand book listing the numismatists throughout the country was published by the Springfield Coin Club several years ago. You might be able to obtain a copy by writing to John M. Oliver, 30 Rochelle Street, Springfield, Mass., without charge. I am returning the five dollars you enclosed.

Yours very truly,

Secretary.
